Cordially invites you to attend our upcoming

Exploring Merchant Capture Opportunities

Presented by:
<Insert Presenter Name Here>

Learn how your business can cut costs and improve cash flow forecasting with our latest Merchant Capture solution. Using state of the art image technology, we're bringing our credit union right to your fingertips for check deposits! You'll see the product in action and learn how to evaluate if it is right for your business. The webinar will cover:

- Product Features and Benefits
- Process Flow
- Live Demonstration

This session will be held:
<Date and time to be determined>

Lunch and refreshments will be provided.
Online registration is available now at <CU WEBSITE>
