OFFICE OF THE PRESIDENT

January 4, 2012

Brad L. Miller, President
Southeast Corporate Federal Credit Union
3692 Coolidge Court
Tallahassee, FL 32311

Dear Brad:

I just wanted to take a few minutes to thank you and your hardworking staff for all of the extensive research that was done in support of the proposed merger between Southeast Corporate and Corporate One. As someone who has used the services of Southeast Corporate for more than thirty years, it was somewhat of a bitter sweet moment realizing that Southeast Corporate would be no more. On the other hand, I can fully concur with my many colleagues that such a consolidation is the right decision and is in the best interest of its member credit unions. This merger will not only preserve our membership capital shares but will also build the foundation for a much stronger corporate credit union structure.

The management and board of Army Aviation Center Federal Credit Union unanimously support this decision and have agreed to convert our membership capital in Southeast Corporate to perpetual capital in Corporate One. I look forward to receiving the same exemplary service through Corporate One that I have enjoyed from Southeast Corporate over the past thirty years. Perhaps maybe even over the next thirty years.

Sincerely,

Jim H. Mitchell
President/CEO
